

Renforth Resources Inc. - Correction

Toronto, Canada (January 4, 2008) – Renforth Resources Inc. (“Renforth”) announced today a correction to its press release issued on January 3, 2008. In that press release, Renforth announced that it completed a \$125,000 private placement and, in connection with that private placement, the company paid a finder’s fee of \$12,500. Renforth confirms that no finder’s fee was paid by the company in connection with the private placement.

This press release includes certain forward-looking statements within the meaning of Canadian securities laws that are based on expectations, estimates and projections as of the date of this press release. There can be no assurance that such statements will prove accurate, and actual results and developments are likely to differ, in some case materially, from those expressed or implied by the forward-looking statements contained in this press release. Readers of this press release are cautioned not to place undue reliance on any such forward-looking statements.

Forward-looking statements contained in this press release are based on a number of assumptions that may prove to be incorrect, including, but not limited to: timely implementation of anticipated drilling and exploration programs; the successful completion of new development projects, planned expansions or other projects within the timelines anticipated and at anticipated production levels; the accuracy of reserve and resource estimates, grades, mine life and cash cost estimates; whether mineral resources can be developed; title to mineral properties; financing requirements; general economic conditions; and changes in laws, rules and regulations applicable to Renforth. In addition to being subject to a number of assumptions, forward-looking statements in this press release involve known and unknown risks, uncertainties and other factors that may cause actual results and developments to be materially different from those expressed or implied by such forward-looking statements. Renforth has no intention or obligation to update the forward-looking statements contained in this press release.
